

# Do you need co-pay assistance?

The Patient Access Network (PAN) Foundation offers free financial assistance for patients with **Hepatitis B and Hepatitis C**

## About PAN

The PAN Foundation is an independent, nationwide nonprofit dedicated to providing help and hope to people with chronic or life-threatening illnesses for whom cost limits access to breakthrough medical treatments. Since 2004, PAN has provided nearly \$400 million in assistance to more than 200,000 underinsured patients.

## Who May Receive Assistance

- Patient must be insured and insurance must cover the medication for which patient seeks assistance (Hepatitis B patients requesting assistance must have Medicare insurance)
- Patient must reside and receive treatment in the U.S
- Patient's household income must be at or below a certain percentage of the Federal Poverty Level, 400% for Hepatitis B and 500% for Hepatitis C (\$62,920 and \$78,650 respectively for a family of two)

## How to Apply for PAN Assistance

- Apply online at [www.PANfoundation.org](http://www.PANfoundation.org)
- Call 866-316-7263 to speak to a PAN representative
- If you are a provider, use PAN's online Provider Portal

# ***Frequently Asked Questions:***

## ***Is financial assistance from PAN free?***

Yes, there is no charge to the patient or healthcare provider for patients to receive assistance from PAN.

## ***How long will it take to find out if I have qualified?***

Applications are processed within ONE minute, giving patients *instant* access to financial assistance.

## ***Will I have to pay upfront and wait to be reimbursed?***

No. PAN will pay your healthcare provider directly. If you have already incurred qualifying expenses, PAN is able to reimburse patients for expenses up to 90 days prior to PAN approval.

## ***How much money will I receive?***

Patients with Hepatitis B will receive \$4,500 per year and patients with Hepatitis C will receive \$7,000 per year to assist with the out-of-pocket costs associated with their medications.

## ***Does PAN provide assistance for diseases other than Hepatitis B and Hepatitis C?***

Yes, PAN provides assistance through more than 55 disease-specific programs designed to assist patients with various chronic illnesses, cancers, and rare diseases.
