

**National Viral Hepatitis Roundtable (NVHR)  
Advisory Committee Charter**

**PURPOSE**

The purpose of the NVHR Advisory Committee is to inform the strategic direction of NVHR, including policy and programmatic priorities and activities.

**COMMITTEE MEMBERSHIP**

The NVHR Advisory Committee comprises 8 individuals with personal or professional experience with viral hepatitis who have demonstrated commitment to health equity, harm reduction, and inclusion. Appointment to this committee will be made at the discretion of NVHR staff. Committee appointments are voluntary commitments of two years unless otherwise noted. The committee term begins September 1<sup>st</sup> and concludes August 31<sup>st</sup>. A member shall not serve more than two consecutive terms, unless otherwise approved by NVHR leadership.

**OPERATIONS**

The NVHR Advisory Committee shall convene virtually every quarter. NVHR staff shall provide updates on the accomplishments, operations, and direction of NVHR. The primary duties of the Advisory Committee include advising NVHR on policy and programmatic priorities and activities and providing input on the hiring of NVHR staff and appointment of Advisory Committee members.
